

CORE CURRICULUM REQUIREMENTS FOR UNCONDITIONAL ADMISSION

- English** Four units with emphasis on writing skills, not to include courses in oral communications, journalism, drama or debate.
- Natural Science** Three units, with laboratories, chosen from Physical Science, Biology, Chemistry, or Physics. Only one unit may come from a Life Science.
- Mathematics** Four units, including Algebra I and II, Geometry, and an advanced math course. It is strongly recommended that students take a math course during their senior year. (Three units of math will be required for graduating seniors in 2002 and 2003. Four units will be required starting with the graduating class of 2004).
- Social Studies** Three units, including one of American History (does not include Contemporary American History), one of World History (not to include World Cultures, World Geography, or Global Studies), and at least one-half unit of Civics or American Government (not to include courses in practical arts).

Note: These requirements differ slightly from the core curriculum requirements for the *Arkansas Challenge Scholarship*. To see those requirements, click [here](#).
