Overview

Act 416 of 2009 (A.C.A. § 6-60-701) directed the Arkansas Department of Higher Education (ADHE) to create the Comprehensive Arkansas Higher Education Annual Report to consolidate all current legislatively required reports pertaining to higher education submitted by the Department of Higher Education, colleges and universities, agencies, boards, commissions and all others, into one comprehensive report.

The Comprehensive Arkansas Higher Education Annual Report shall be submitted by the ADHE to the House Education Committee and Senate Education Committee, the President Pro Tempore of the senate, the Speaker of the House of Representatives and the Governor no later than December 1, 2009, and each year thereafter. The Comprehensive Report shall be posted on the ADHE website for public inspection no later than December 8, 2009, and each year thereafter and shall serve as a central tool for the General Assembly and others to evaluate all facets of the Arkansas higher education systems.
